**Welcome to May!**

## OUTDOOR SHABBAT SERVICES

This Friday, May 7th we are going to welcome the Sabbath in the glorious outdoors at the temple. Gathering in person is so exciting for all of us but we are going to proceed cautiously.

The most recent CDC guidelines say that when a gathering includes both vaccinated and unvaccinated people, everyone should still wear masks, even outdoors in small gatherings. We know that not all of us have had the chance to get vaccinated, and kids aren't even eligible yet! So because we don't want to exclude any congregants, we are going to err on the side of caution and ask everyone to wear a mask at all times during the service for the safety of our congregants.

We will have the chairs socially distanced per the suggested guidelines. Please feel free to move your chairs wherever you are comfortable.

Services start at 6:00 pm followed by a Covid safe oneg hosted by the Sisterhood.

If you plan on attending, please let Angela know so we can prepare enough seating and food for all.

There will not be a Zoom link for this particular service. Only in person. Zoom link services will resume the following week with possibly having one outdoor service a month during the summer, weather/heat permitting.

Finally we gather again!

## TEMPLE DIRECTORY THIS FALL

As many of you know, we always produced a temple directory that contained all of our contact information and was handed out during the High Holy Days. The temple website now provides those details but we think it is important to make a hard copy every couple of years. Angela will be contacting you for all updated addresses, phone numbers, etc... Pam DeWitt will contact you with hopes that you will be willing to purchase an ad in the directory. It is a way for us to cover the costs and also a lovely place to brag on your children with their pics, wish someone a happy new year, honor someone in this lovely format, in memory of a loved one, you get the idea. Pam will be providing examples from past directories when she reaches out to you.

It takes a while to gather all this information so Angela, Anna Singer and Pam DeWitt will start contacting each of you this month. That gives us plenty of time to prepare your ad, make updates and go to print in early August. Looking forward to touching base with you!

## **GOOD BYE TO THE HORWITZ FAMILY!**

We are so sad to see Kelly, Paul, Samantha and Isaac leaving Tuscaloosa and heading to Birmingham so the children can attend a different school system. How wonderful they have been to our temple and their absence will leave a big hole in our hearts. Thank you for being a part of our temple family for many years and we wish you the very best in your new community. Kelly will be especially missed by the many people she delivered Meals on Wheels to. She never missed a month and we know they will miss seeing her kind face.
