From Rabbi Jacobs

Thoughts about Freedom and Pesach

Dear Friends:

Example #1: I am reminded that one day while I was growing up, something (I no longer remember what) upset my late father, Ralph Albert Jacobs (1921-1981), *alav hashalom*, and he blurted out, "Americans: They simply don't understand freedom!" Having escaped the tyranny of the Nazi regime at age eighteen (never to see members of his large family, including his parents again), he had lived the opposite life under dictatorship.

Example #2: When I was the Rabbi of Congregation Temple B'nai Sholom in Huntsville, AL (1990-2000), our Pesach Seders were made all the more special by the presence of two very wonderful families: (1) A kindergarten teacher who spent four years in a Siberian Gulag as an "enemy of the state" while her husband was also deported there for the same reason—but to a different Gulag; and (2) a professor of physics at UAH who along with his family experienced life under Soviet Communism with more than its share of antisemitism before their escape to the US.

For all of them, the celebration of Pesach--and ours--took on a whole new level of meaning. "Egypt" was not distant country that brutalized our people centuries ago. It was Nazi Germany and Soviet Russia within living

memory and experience. "Pharaoh" was not the ruler of Egypt "who knew not Joseph" (Exodus 1:8) and thus enslaved our people. He was personified in the persons of Adolf Hitler and Joseph Stalin, May their memories and their names be blotted out!

I am reminded of all of them—and others of our people who have suffered so horribly down through the centuries, both those who survived and those who did not. (*continued on page 2*)

Co-Presidents' Message

As this colder-than-normal winter gives way to many nice Spring days, we will be celebrating not only new flowers (and pollen), but also freedom. The miracle that America has been for Jews—the most religiously free country in history—is perfectly mirrored in Passover. As Rabbi Jacobs said (see page 1), Pharaoh is not just the enslaver of ancient Egypt, “Pharaoh” is also every dictator and oppressive society from the past, and the present. That is why Jews—especially Reform Jews—continue to welcome ‘strangers’ into our fold. Strangers here means people of every background, whose commitment to Judaic principles—one God unknowable and without human form—leads to our congregation. Passover is truly a miracle.

Be sure to register for the First-Night Community Seder by April 9th, so we can celebrate together.

On another note, please make sure you have our May 18th Congregational Meeting on your calendars.

Hag Sameach!—Anna and Hattie

Rabbi's Message continued

Pesach/Passover is our Jewish commitment to freedom—freedom to be Jews and freedom to worship as Jews. The blessing of our Jewish identity, preserved and bequeathed to us by all past generations thus becomes a *b'rakha*/blessing and a priceless treasure in our own lives.

When we gather this year on Monday the 14th of April to celebrate our First Night Pesach Seder as a Jewish community in Tuscaloosa at our Temple Emanu-El, let us do so in celebration and pride at the gifts we have been given, the heritage that is ours. and the traditions we are continuing.

From our house and family to you and yours,

Hag Sameach (Happy Holiday)!

Rabbi Steve Jacobs

The Temple

Call for Nominations

Two years have flown by in a hurry, and it will once again be time for us to elect officers and board members at our congregational meeting on May 18. Hattie and Anna have appointed Ron Hood, Greg Goldstein, and me to serve as a Nominating Committee to present a slate to the congregation. We are not limited to presenting only one name for each slot.

The positions to be filled are **President (or Co-Presidents and 1st VPs), 2nd VP, Secretary, Treasurer, and Board Members**. Our constitution states that we shall have a Board of Trustees composed of a minimum of 18 members, which includes the Officers and the elected Chairs of the Membership, Ritual and Cemetery, Religious School, Finance, and Building Committees, as well as Members-at-large.

Please give some thought to who you would like to serve in the various positions and nominate someone you think would serve well. The Nominating Committee will check with each person nominated to be certain that they would be willing to serve before his/her name is placed on the slate. Self-nominations would be most welcome!

The Nominating Committee would like to receive your nominations by **mid-April** so that we have sufficient time to ensure that we have at least one candidate for every position by the time of the congregational meeting on May 18. Please contact either Ron Hood, Greg Goldstein or me with your nominations. Nominations can also be made from the floor.

—Marianne Rosenzweig, Chair of Nominating Committee

Your Board

The board met on March 10th at 5:30. Temple members may observe board meetings. The next meeting will be on April 21 at 5:30.

If you have items you would like to see discussed by the board, please get in touch with Hattie Kaufman, hek14874@gmail.com and Anna Singer, annajsinger@hotmail.com (please copy us both).

 - **Senior Individual (Single), a new category:** \$520 (20% discount from Single)
 - **Associate Status** (for those with full membership in another synagogue; non-voting): 50% of applicable category
- Note: "Family" is defined as a household with more than one person. "Senior" is age 65 and over.*

Leaves of Life

Leaves of Life are available to be engraved and placed on the Dinoff Tree of Life in our lobby. These may be purchased for simchas—for instance, anniversaries, landmark birthdays, graduations, births, b'nai mitzvot, or other occasions. They are also a wonderful gift for friends or relatives to honor their service in the community. Order forms are available on the Temple bulletin board.
